

Makeovers

Contributed by Anita Dobin

Is your home over-crowded? Does it lack places to put things? Are there cluttered rooms?

Now let our SOS Makeover Team give your rooms a whole new look and functionality!

SOS 's Makeover Team will de-clutter and create storage solutions for any room in the house!

Create closet systems

Create special rooms for art, hobbies, music, study, media

Makeover common living areas

Makeover home offices

Makeover kitchens, pantries, and dining areas

Makeover laundry rooms

Makeover bedrooms and bathrooms

Makeover kid's rooms

Makeover garages, attics, basements

You name it, we'll redesign and make it over better!

Rooms and areas to consider redesigning or creating to better suit your needs:

Living room / family room / den Garage

Dining room Attic

Kitchen / pantry room Basement

Laundry room Library / Study room

Bedrooms / closets Art / craft / hobby room

Bathrooms Music studio

Children's rooms / play room Loft area

Guest room Hallways / Stairwell areas

Home Theater / Media room Foyer / entryways

Home office / workspaces Mud rooms

For any space in your home, whether it already exists or not, the SOS can create it.
